Pier Problems

A serious defect has been discovered in the lefthand pier of the Parish Church as you enter through the main entrance.

As this is a health and safety issue, this section of the entrance will remain closed while the rebuilding of the pier takes place during the coming week.

The other pier and the overhead section of the nearby pedestrian entrance will now also be assessed. Apologies for any inconvenience caused.

Our Bishops welcome publication of the National Synthesis and invite us all to read it. They are most grateful to all who participated in the Process at parish, diocesan and national levels. They commend it to the next phase of the synodal journey of the universal Church as it moves towards the meeting of the Synod of Bishops in Rome in October 2023.

The Rower Cemetery Mass

On last Sunday evening a fantastic crowd turned out to The Rower Cemetery Mass so as to remember and pray for their deceased loved ones and for those who have no one to pray for them. Thank God, the rain waited until we were all back home safe and sound!

Thanks again to all who actively helped or participated in any way.

A special 'Thank You' to Pat Corcoran, whose name was accidentally

omitted in the acknowledgements at the end of mass. Pat does trojan work throughout the year in keeping the grass cut, and keeping the cemetery clean & tidy - much appreciated by all.
