...should go without saying

As our boys & girls are preparing for Confirmations (9th May) and First Holy Communions (10th & 17th May) it should go without saying that they should be brought by their Families to Mass every Saturday or Sunday. Full credit to those who are doing so already, and we hope that many more will join them from now on.

Should Have Gone To ...

A motorist with poor eyesight was driving through a dense fog and was trying

desperately to stay within range of the taillights of the car ahead of him. As he squinted and worried his way along, trying to stay on course with those taillights, the car in front suddenly stopped, and his car hit the car in the front. The driver of the rear car got out and demanded to know why the other driver came to such an abrupt stop. "I had to," he replied, "I've just driven into my own garage!"
